Mister Lei has a brother?
Yes, but it has been a long time since I last saw him....
He should be seventeen this year. My brother is even more gifted than me in martial arts.

Speaking of this, there has been talk of a gifted warrior in the O'Brien empire lately, only seventeen years old.
His name is Wharton Baruch.
He's an O'Brien empire academy student.
In His first tournament it's said he easily defeated an eighth grade warrior.
Mister Lei's brother is so gifted, perhaps they might know each other.
Boss, that man is your brother right?
